

2019 Walk the Spectrum
February 9, 2019
Estero Community Park

My Autism Connection, Inc. is hosting our 3rd annual "Walk the Spectrum," a community walk to bring awareness while supporting our programs and services on Saturday, February 9, 2019 from 10am-2pm at the Estero Community Park located at 9200 Corkscrew Palms Blvd. Estero, FL 33928. This year we added a 5K Run that will start at 8am, followed by our Commemorative Walk as we continue to feature community vendors, entertainment and activities for all, including sensory activities for the kids!

Walk the Spectrum will not only bring the community together to support the children and families affected by Autism, it will help to expand our programs and services. We provide programs that teach Relational and Employability skills to individuals who are affected by Asperger's and High-Functioning Autism, seeking independence within our community while building healthy relationships. As children transition into adulthood, they have the same desires as many of us; they want to learn the skills to help them become contributing members of our community where they can be productive and independent. My Autism Connection is helping them reach their potential!

There are many levels of sponsorship to choose from, each with a variety of benefits. As a sponsor, you will have the opportunity to be recognized by My Autism Connection for your support in the communities you serve. For more information, please contact Lisa Portnoy at Directors@MyAutismConnection.net or call 239-834-7383.

Thank you for your continued support and we look forward to seeing you at Walk the Spectrum!

Sandra Worth
E.D. & Board President
