Re: Letter for Recommendation for Sandra Worth

Dear Sir/Madam

I am pleased to enthusiastically provide this letter of reference/recommendation for Ms. Sandra Worth. In the many years I have known Sandra, I have found her to be a very loyal, honest and committed friend and colleague. She has a true passion for inspiring young adults with disabilities and seeing the talents and potential that they possess. She has an excellent understanding of Autism and has gained the respect of the community in this field. Sandra is a consensus builder and does a tremendous job building partnerships. This was evident with her work assisting our Center implement a nationally acclaimed youth transition program called Project Search to Lee County. Her work helped launch a program that offered internships and jobs to special needs youth. Furthermore, her work as CEO of MyAutism Connection Inc. has provided valuable and incredible support, social skills, and employment opportunities to individuals with disabilities to increase their independence. Sandra is a business leader that is creative and results orientated. She finds solutions to difficult issues and is innovative in developing programs that work! It is without reservation that I recommend Ms. Sandra Worth and her company MyAutism Connection to your organization as a business partner, vendor or service provider.

Sincerely,

Corey Hinds, Chief Executive Officer
